

# York Children's University *Graduation*

4pm - 6pm, Monday 24 March 2014  
Sir Jack Lyons Concert Hall, University of York

## Welcome to York Children's University Graduation!

It is wonderful to see over 140 children graduating today at York CU's third annual graduation ceremony. We are excited to see lots of new faces collecting their first awards today, alongside children who are returning to collect their next award! This will also be the first time York CU has awarded Diplomas, Degrees and Postgraduate Awards, so well done to all!

York CU has had another fantastic year, working with more schools, Learning Destinations, volunteers and businesses, enabling us to offer more fun, quality and innovative experiences through the Passport-to-Learning scheme and our suite of volunteer-led modules. We also launched a new series of interactive workshops and lecture-style events for families called CU in the City. Children had the opportunity to learn about space from the University of York's department of Physics, become Chocolatiers with York Cocoa House, and even go behind the scenes at Bootham Crescent!

At the heart of York CU is the ambition to raise aspirations, boost achievement and foster a love of learning, so that children and young people can make the most of their abilities and interests. We hope that you enjoy the evening and congratulations to everyone graduating today!

# *Running Order*

Awards will be presented by the Lord Mayor of York, Cllr Julie Gunnell

---

Procession of Graduands

Welcome and Introductions

'A Year in the life of York CU' - A short film

Bronze Awards

Silver Awards
