Science Days!

This Easter learn all about the wonders of science with our exclusive, Mad Science event. In a fun packed day you will explore the extraordinary discoveries of some of the most famous scientist and have the chance to experience hands on experiments. The day will be led by a fantastic scientist who is guaranteed to inflame your imagination and teach you some of the incredible secrets of science.

It costs just £20 for a full day camp. Everything will be provided for you- all you need to do is bring a packed lunch! This year we are also running this incredible day in 3 different locations, so you can choose one that is near to home.

The Mad Science Day Camps are suitable for ages 5- 11 and will take place from 10-3pm at the following venues:

Southery Primary School, Downham Market - 30th March

NCFC Study Centre, Norwich - 31st March

Alderman Swindell, Great Yarmouth - 1st April

For more information and to book a place please [click here](#).

STOP PRESS: there are limited places available for just £10. These places are only available to children who have been recommended by their school. If you are keen to come to one of these days, then why not ask your school to refer you, and claim a 50% discount?

To receive all of our latest updates and

high achievers

This year we are celebrating the incredible achievements of children who have earned over 165 hours in their Passport to Learning. Children who have reached this milestone will be invited to attend an exclusive evening ceremony, on 16th June, at the University of East Anglia.

At this special event, as well as graduating, the children will be given the chance to quiz a student about what university life is really like, and explore a special mock-up of student accommodation. Refreshments will also be provided.

If you already have 165 hours or more, then it isn't too early to book a place at this special event! Simply [click here](#) to visit our Eventbrite page and sign your child up for a place. There is still time to visit lots of Learning Destinations to reach the 165 hours target.

More information will follow shortly.

Learner of the Month

During the half-term holidays Kimberly was inspired by our previous activity challenges to get creative and design a doll figure. She used recycled materials, including OXO cubes boxes for the shoes. Mention that she and her mum enjoy doing these challenges together.

Fantastic work Kimberley.

If you would like to recommend a Learner of the Month for our April addition, then please get in [touch](#).

New learning trail at Oxburgh Hall

information, then remember to follow us on:

[CUNorfolk](#)

[#CUNorfolk](#)

This Easter weekend discover the beautiful grounds at Oxburgh Hall with their new Birds and their Eggs trail. Find out about all the different types of birds that can be found on the estate and learn the difference between their habitats. Suitable for ages 3 - 10.
