York CU Graduation 2015

We have had a busy few months here at York CU!

On March 26 over 100 proud CU passport holders graduated in a ceremony at the University of York. Our graduates have collected over 65 hours in their passports to graduate. One graduate, Max from Westfield, had gained over 700 hours in his passport!

A great day was had by all and we are very proud of all our graduates.

Sophie Jewett from York Cocoa House urged all our graduates to "keep growing"!
