

I am a member of Kent Children's University and collect Learning Credits (in my Passport To Learning) for participating in innovative and exciting opportunities, outside normal school time.

For each hour of learning I am involved in I can collect 1 Learning Credit. When I have 30, 65, 100, 130, 165, 200 etc. hours I graduate from one of three universities in Kent.

I can collect Learning Credits from venues or providers who have had their programmes validated by Kent Children's University. These venues then become national Learning Destinations.

I would like to be able to collect Learning Credits from my time with you.

If you would like more information about becoming a Learning Destination, please email kcu@theeducationpeople.org or scan the code on the left for more information.
